## **REReport – Brian Vondran**

About a month ago, we co-hosted the **Halloween Divisional Races @ Nelson Ledges** on October 31<sup>st</sup> and November 1<sup>st</sup> with NEOHIO. This was our first race at Nelson Ledges since 2014 and, while we were all a little rusty, I'd say the operations of the weekend went off without a hitch. We had 65 cars, which was in line with expectations although a little disappointing if I'm honest.

Unfortunately, the weather was not our friend that weekend. We had little more than 15 cancellations and no shows. Due to impending snow storms and sub-freezing temperatures expected on Sunday, a large percentage of our racers headed for home on Saturday night. We moved our afternoon races up to the morning and did our best to get everyone on their way by 1pm on Sunday.

Feedback from our racers and volunteers was great and we're looking forward to doing it again next year. Speaking of next year, we are on Nelson's calendar to reprise the Halloween Races @ Nelson Ledges. By getting the race on the calendar early, I'm expecting a better turnout for 2021. I've already lodged my request for better weather!

Unfortunately, a summer event at Nelson just wasn't in the cards for 2021, but we're going to work towards one in 2022.

**COVID-19 Update:** I hope this message finds you and your family well. Over the last month, COVID-19 has REALLY ramped up in Ohio. It feels like everyday we find out a new positive test amongst our friends or our daughters' friend groups. Thankfully, only a couple have been bad cases while the rest have had relatively minor symptoms. We're hopefully a short stint away from a vaccine (or two or three); but in the meantime, please take care of yourself. Be smart and stay safe. Best wishes,
