September Membership Meeting at Nelson
Ledges Road Course

Tuesday, Sept. 7

Times: 5:00pm Track is open for "Touring"
- NO RACING

6:00pm Solo Style Event on front
straight and pit lane.

7:00pm Picnic Dinner followed by a
short meeting

Times are approximate

What is supplied:

Charcoal, Grills, Hot Dogs, Buns, Mustard,
Ketchup, paper plates, plastic utensils, and
napkins.

What to bring:

A dish to share, meat if you do not want hot
dogs and your own beverages.

This would be an excellent opportunity to
introduce friends to MVR. Give them a ride
around the track, let them try a simple solo-
type run, and enjoy meeting our members.

REport – Reed Kryder

Elsewhere in this newsletter you will find details concerning our September 7th Picnic/Membership Meeting. We have also been mailing separate flyers to let as many people, members and non-members, as possible know about it. What makes this meeting so important? Fun is the simple answer. It is also a chance for people to socialize and get to know each other better.

Early arrivals to the Picnic will be able to “Tour” the track in their cars with passengers. This means you can show family and friends things they never get a chance to observe. We don’t want any wheel-to-wheel racing and have yet to decide whether helmets will be required. Bring a helmet just to be safe.

The solo will be a simple course laid out on the pit road and front straight. You will need a helmet to participate. There will be no classes or awards. If there are bragging rights to be settled it will be done with the use of a simple stopwatch. Kryderacing will supply the pylons, a few helmets, and the stopwatch.

MVR and Kryderacing will supply hot-dogs, buns, plastic utensils, charcoal, and a grill for the meals. Feel free to bring your own meat dish if you want something other than hot-dogs. Please bring something to share along with your own beverages. We could also use another grill or two if you have something easy to bring along.

With regards to the meeting, we will keep it as short as possible while attending to a couple of business items.

As of the end of July, Mahoning Valley Region is the only local Region which has exceeded the 2010 membership goals established by the National office. The quality of many individual MVR members has a lot to do with that achievement. It is my belief that adding an occasional social event, such as this picnic, will make MVR healthier in the future. Let’s add a few more parties to our calendar in the future. Any ideas? I’ll see you at Nelson Ledges Road Course on September 7th.

NORTHEAST DIVISION SCCA MEMBERS TO MEET IN ROCHESTER FOR MINI-CONVENTION

The Finger Lakes Region of the Sports Car Club of America will host this year's annual Northeast Division Mini-Convention on November 12-14, 2010, at the Woodcliff Hotel and Spa in Rochester, N.Y. SCCA competitors, crew, administrators and other members from throughout the Northeast gather to plan out events for 2011, train new stewards, present divisional awards, and for some social time outside of the stress of a competition weekend.

Regional Executive Michael Toombs said the region members were proud to once again host this event. "We hope that everyone will have a good time visiting the Finger Lakes area and our many attractions, from our wineries to the New York Wine & Culinary Center in Canandaigua and everything in between," said Toombs. "Then on Saturday, we will get together to work, learn and plan the upcoming year. So if you want to be involved and see a beautiful area of the country, stop by the weekend of November 12-14."

The convention serves multiple purposes covering all the interest areas of the SCCA including racing, rallying and autocrossing. The regions work together to schedule and structure the 2011 divisional Club Racing schedule. There are also administrative meetings of various race series and divisional councils and stewards. Members are invited to inquire or speak out about issues and concerns during open forum sessions.

This year's Mini-Con chairperson, Elizabeth Thiel, understands the importance of the social aspects of the weekend, which allows members to have some time away from business and to informally network with fellow motorsports enthusiasts.

"Come join us Friday evening for our wine tasting followed by a welcome reception," said Thiel. "This is the time to reunite with long-time friends and meet new faces."

One of this year's highlights is the Neohio Competition Clinic. According to Thiel, this widely-acclaimed program includes information to assist with vehicle dynamics, suspension setup, data acquisition and more, taught by Dave Weitzenhof, Bob Doemberg, and data guru Dave Scaler.

For further information, visit the Finger Lakes Region's website at <http://www.flr-scca.com/10minicon.html>. There is a flier and registration form available for download. At this time, Elizabeth Thiel and her team are negotiating with seminar presenters for the various

workshops; a tentative and final schedule will be announced as they become available.

"Whatever your specialty we guarantee you will leave with new ideas, new contacts and new opportunities for the future," Thiel said. "It is a time for reflection of the past year and to prepare for a new season."
